

The Middle East Facility Management Association (MEFMA), is looking to create stronger ties and awareness among its members through its (Member of the Month) program. The initiative highlights a chosen member and the contributions that they have made in the move to further promote the FM industry--including the member's initiatives, CSR activities and value additions offered to their customers.

## CORPORATE MEMBER OF THE MONTH

ADEEB received Highly Commended Global FM Award of Excellence 2019 through MEFMA for its entry titled: "Towards Milestone Achievement in FM"

Thank you for your active membership and continuous show of support for MEFMA programs and initiatives

## SEPTEMBER

**Eng. Ansari**  
Chief Executive Officer  
Adeeb Electrical & Electronics Services Co.

Expert Advise

Corporate Member since 2012

As Adeeb being the leading FM Player in the industry for more than 25 years, we would like to share our experience and advise other players to have the common platform of unity to support the fair competition and best practices which includes latest technological trends and to offer the services at the affordability of the clients. Besides, dedicated training to be given to the workforces who in turn make the facilities management a successful one.

Adeeb have seen tremendous growth in terms of customer relation and service enhancements, which has led the organization to carve the leading niche in the FM industry. As far as the achievements are concerned, the following has been successfully attained.
