

The Middle East Facility Management Association (MEFMA), is looking to create stronger ties and awareness among its members through its (Member of the Month) program. The initiative highlights a chosen member and the contributions that they have made in the move to further promote the FM industry--including the member's initiatives, CSR activities and value additions offered to their customers.

ASTRA

9 of Al Shirawi's employees have attended MEFMA "Facility Management Courses"

It has been an exciting year as they launched ASTRA, a unique training initiative. ASTRA is an open platform where Al Shirawi employees, as well as all others in the UAE' seeking knowledge, can register and avail their training. At the heart of ASTRA is a cloud-based training database and it features a wealth of knowledge in the form of online videos, journals, e-books.

Gildemeister Partnership

Their online training platform for line employees across companies; they signed multiple FM contracts especially within the luxury property space and renewed deals with Government clients such as Dubai Municipality and RTA. Most importantly, they are thrilled to activate their "Energy consultancy and solutions", through a partnership with Gildemeister.
