Ejadah's Growth

Every strategic implementation impacts Ejadah's direction in the industry, but our leadership in the FM is defined by our efficiency in delivery. Well-trained and empowered employees are one of the most powerful assets owned by Ejadah. Employee welfare, training and recognition of white and blue collared staff are Ejadah's foundation to providing world-class community solutions.

Innovation & sustainability are other determining factors of our success. Ejadah remains committed to improving service delivery through the application of international standards and the implementation of technology and innovation.

Implementing these technologies allows us to have better manpower utilization, reduce consumables, reduce human errors and give more data analysis.

Ejadah has grown exponentially over the past year with employee count now crossing the 8000 mark and several prestigious contract wins including Meraas City Walk, Box Park, Kempinski Hotel and Residences, Emerald Palace, Dubai Parks and Resorts, Global Village, Kings College Hospital ADNOC Head Quarters Abu Dhabi, Blue-Waters Island, Coca Cola Arena; Burj Al Arab, Abu Dhabi Global Market, Kings College Hospital, Abu Dhabi Media currently some of the most iconic projects in the region.

Operating in Dubai, Abu Dhabi, Al Dhafra, Al Ain and RAK Ejadah manages an astonishing portfolio of over 116 million square feet, valued in excess of AED 40 billion.

2019 started with Ejadah being awarded the "Technology Driven FM" award at the MEFMA Confex 2019. This award honored Ejadah's significant contribution to the region's FM industry through innovative technologies and solutions.

Ejadah is working on transforming a 70 plus stories skyscraper to BIM (Building Information Modelling), a pioneer project, the first of its kind in the MENA region, where all systems and services are integrated into the model, to enhance the operations and facilities management of the building.
