

The Middle East Facility Management Association (MEFMA), is looking to create stronger ties and awareness among its members through its (Member of the Month) program. The initiative highlights a chosen member and the contributions that they have made in the move to further promote the FM industry--including the member's initiatives, CSR activities and value additions offered to their customers.

## STRATEGIC CORPORATE MEMBER OF THE MONTH

QBG's Headline Sponsorship at the MEFMA Seminar on Sep 25, 2019

Thank you for your active membership and continuous show of support for MEFMA programs and initiatives

**Vijay Kavasseri**  
Operations Director

## MARCH

Strategic Corporate Member since 2013

“Based on our experience we believe that it's always healthier to grow customer base organically ensuring that we focus on covering all the segments that we work on (For e.g., we work across a wide range of specialized activities like Landscaping, Façade Cleaning which many other prominent FM companies outsource). We strongly believe in building long term relationships with our clientele through a collaborative approach and this helps to motivate internal staff as there are opportunities for career progression. We also work closely with other FM service providers and are a chosen provider for quite a few big industry players as part of their IFM solutions. This strengthens networks and increases operational efficiency”. **Vijay Kavasseri**

Dubai Media – Their employees at Dubai Media Inc. were awarded for their outstanding work during the recent rains. The appreciation meet was held at Dubai Media office and was attended by their Executive Director, Mr. Bala Kumar and Operations Director, Mr. Vijayshankar Kavasseri.

DWTC – A Staff appreciation program was organized by their client Dubai World Trade Center for their dedication and hard work recently. The event was attended by Operations Director, Mr. Vijayshankar Kavasseri.
